

**TO OUR REGISTERED SHAREHOLDERS
DIVIDEND PAYMENTS – CURRENCY ELECTION**

If you do not elect to participate in the Amended and Restated Dividend Reinvestment Plan, you will receive your dividends in cash payable in Canadian dollars unless you elect otherwise below. Shareholders may elect to receive their dividend payment in either Canadian or United States dollars. In order for your currency election to be effective in relation to a particular dividend, CST Trust Company must receive a completed form five (5) business days before the record date for that dividend. Your election will remain effective until you notify CST Trust Company otherwise.

Please mark your preferred currency below. If no election is made, you will continue to be paid in Canadian dollars.

- Canadian Dollars**
- United States Dollars** – the United States dollar equivalent of such dividends will be based on the applicable Canadian dollar/U.S. dollar exchange noon rate on the record date for each dividend.
