

Q1 2020 Supplemental Information Package

Safe Harbour

This supplemental information package may contain, without limitation, forward-looking statements related to our future growth and our financial and operational results and performance that are based on current expectations, forecasts and assumptions involving risks and uncertainties that could cause actual outcomes and results to differ materially. In some cases, forward-looking statements can be identified by the use of words such as “outlook”, “may,” “could,” “expect,” “intend,” “plan,” “seek,” “anticipate,” “believe,” “estimate,” “predict,” “potential,” “continue,” “likely,” “will,” “would,” “illustrative” or the negative of such words or other words of similar connotation. Forward-looking statements are not guarantees. Specific risks and uncertainties that could cause our actual results, performance and outcomes to differ materially from those expressed in our forward-looking statements include, but are not limited to: variability of financial and operating results among periods, which include the pace, size and nature of transactions by or involving our asset management subsidiaries, investment funds, and operating companies; the volatility of the exchange rate between the U.S. dollar and the Canadian dollar and other currency exchange rates; changes in the fair market value of Onex’ operating companies, including the market value of our publicly-traded operating companies; and activities at the operating companies of our private equity funds and events within their industries. These and other risks and uncertainties and factors are discussed in the Company’s various public filings at www.sedar.com or on the Company’s website, www.onex.com. These risks, uncertainties and factors may cause our actual financial and operational results and performance to differ materially from the expectations expressed or implied by the forward-looking statements contained in this presentation. Any forward-looking statement speaks only as of the date on which it is made. We do not undertake to update any forward-looking statement, except as required by applicable law. These cautionary statements expressly qualify all forward-looking statements in this supplemental information package.

In addition, we may refer later in this presentation to various private offerings of securities. These offerings are made solely to such persons and in such transactions as do not require registration, qualification or approval under any U.S. or other applicable securities laws and otherwise to specified classes of permitted private purchasers. The securities are not and will not be registered, qualified or approved under U.S. or other securities laws, cannot be offered or sold in the U.S. without registration or exemption and will not be offered or sold in any other jurisdiction except in certain private, restricted transactions. This notification shall not constitute a promotion of, an offer to sell or the solicitation of an offer to buy any securities.

All dollar amounts in U.S. as at March 31, 2020, unless otherwise stated.

This table can be found on page 30 of Onex' 2020 Q1 Report.

Cash: Sources and Uses

(\$ in millions)

(1) Balance is based on cash and near-cash at March 31, 2020.

(2) Assumes that 90% of Onex' \$2 billion commitment to Onex Partners V is ultimately called for investment, excludes amount invested as of March 31, 2020.

(3) Represents a three-year projected spend on dividends and buybacks based on the average annual spend on buybacks in the last five years and the current dividend rate.

(4) Balance is based on uncalled committed capital at March 31, 2020. This balance may not be fully funded due to expected future management fees and expenses, which will reduce the overall uncalled committed capital in respective funds.

Fee-Generating Assets Under Management

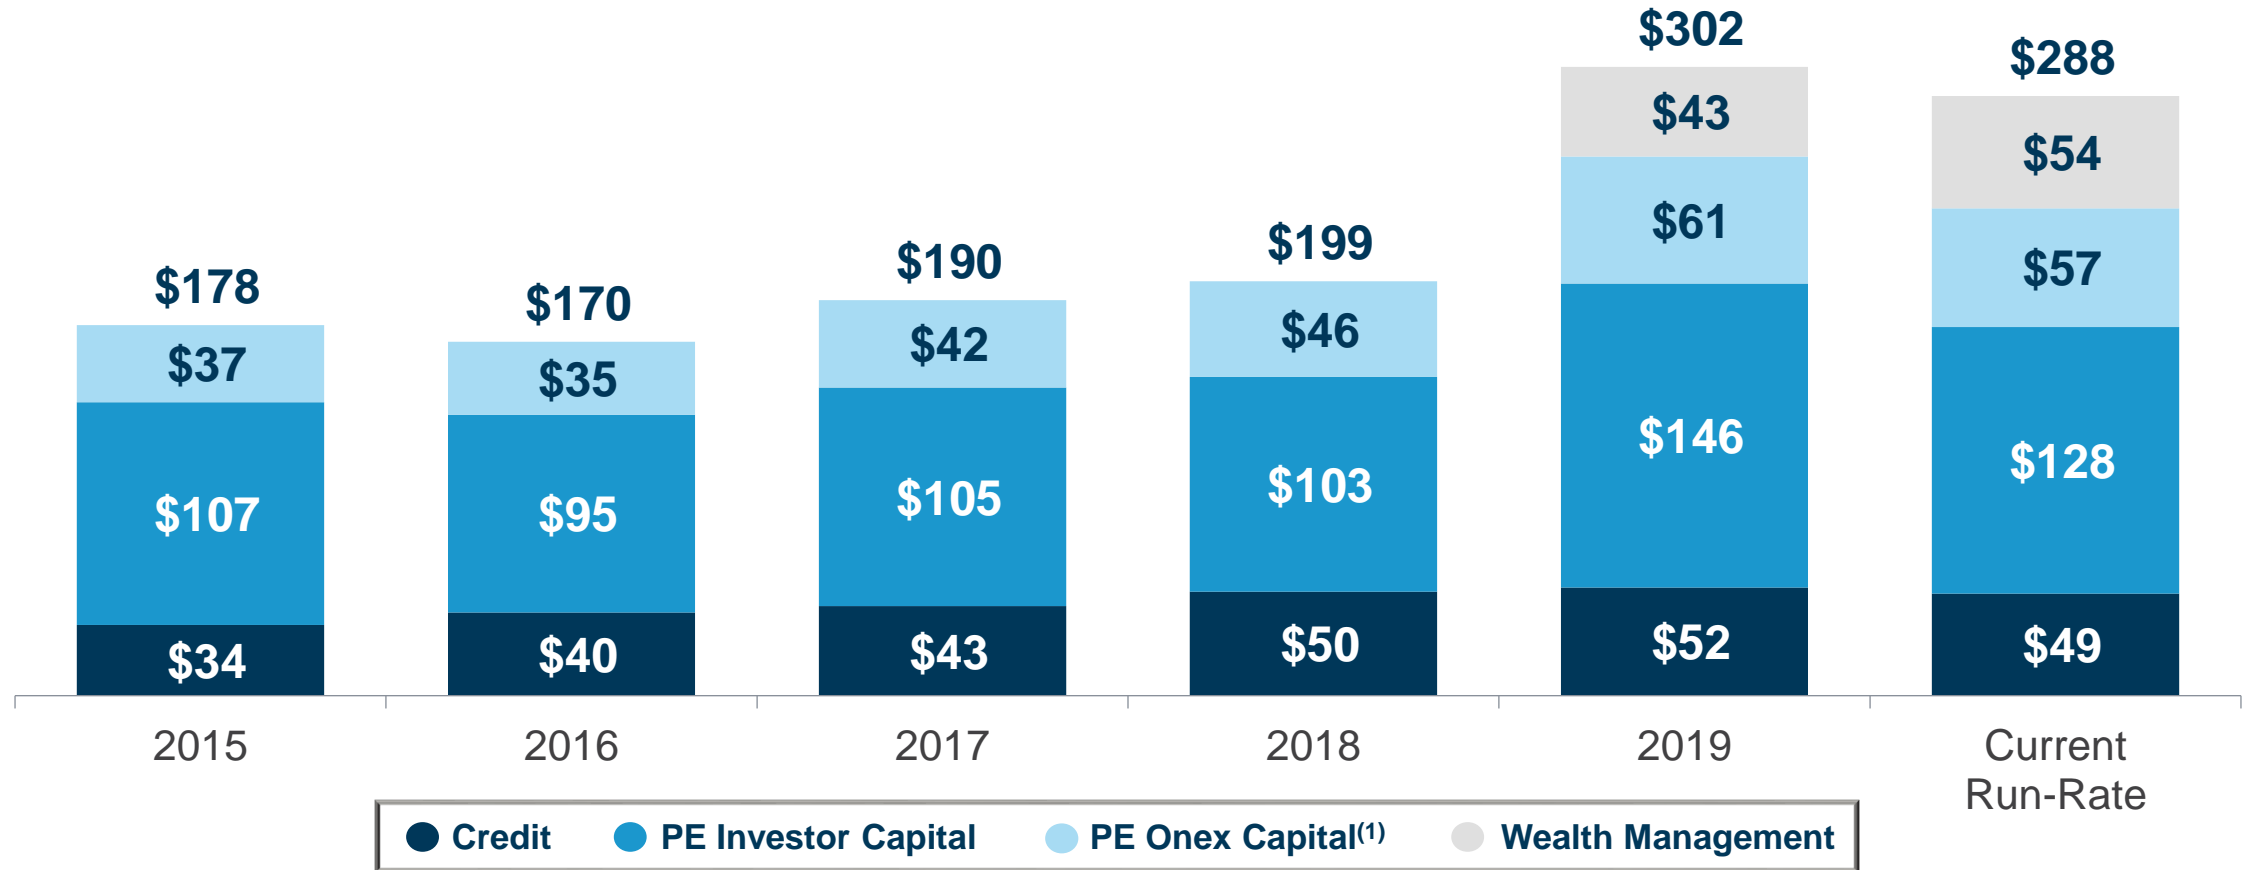

(\$ in billions)

Growth in fee-generating assets under management includes the impact of assets under management acquired in the purchase of Gluskin Sheff in June 2019.

Growth in Management Fees

(\$ in millions)

(1) Management and advisory fees on Onex capital represents the additional net fees that would be earned on Onex capital had that capital been subject to management and advisory fees under the same terms as third-party limited partners in the Onex Partners and ONCAP Funds. These management fees reduce Onex' investing segment income and are included in Onex' asset management segment income.

Investing Capital (page 11) and Investing Capital: Q1 Changes (page 12)

- (1) Based on the fair value of the investments in Onex Partners, net of the estimated Management Investment Plan (“MIP”) liability on these investments of \$36 million (December 31, 2019 – \$41 million) and any debt financing within the Onex Partners Funds.
- (2) For certain public investments, a discount was applied to the closing prices in relation to trading restrictions relating to Onex, the Onex Partners Funds or the ONCAP Funds holdings in these investments. These discounts resulted in a reduction of \$63 million in the fair value of the investments (December 31, 2019 - \$84 million).
- (3) Based on the closing prices on March 31, 2020 and December 31, 2019, adjusted for a marketability discount. Net of the estimated MIP liability on these investments of \$135 million (December 31, 2019 – \$149 million).
- (4) Based on the fair value of the investments in ONCAP, net of the estimated management incentive programs liability on these investments of \$20 million (December 31, 2019 – \$34 million).
- (5) Based on the average closing price for the five trading days ending March 31, 2020 and December 31, 2019, adjusted for a marketability discount. Net of the estimated management incentive programs liability on this investment of \$1 million (December 31, 2019 – \$3 million).
- (6) Primarily includes Onex' investments in Celestica Inc., Ryan Specialty Group and Incline Aviation Fund and net of the estimated MIP liability on these investments of \$6 million (December 31, 2019 – \$3 million). Celestica is based on the closing prices on March 31, 2020 and December 31, 2019, adjusted for a marketability discount.
- (7) Represents Onex' share of the unrealized carried interest for Onex Partners and ONCAP Funds.
- (8) Includes warehouse facilities.
- (9) Onex Credit Funds excludes \$89 million (December 31, 2019 – \$97 million) invested in an Onex Credit unlevered senior secured loan strategy fund, which has been included with cash and near-cash items.
- (10) Represents other investment-related net liabilities of investment holding companies.
- (11) Includes \$1,059 million (December 31, 2019 – \$646 million) of investments managed by third-party investment managers.
- (12) Includes \$222 million (December 31, 2019 – \$190 million) of management fees receivable from the limited partners of its private equity platforms.
- (13) Represents debt at Onex Corporation, the parent company.
- (14) Calculated on a fully diluted basis. Fully diluted shares were 99.3 million (December 31, 2019 – 112.4 million). Fully diluted shares include all outstanding SVS as well as outstanding stock options where Onex' share price exceeds the exercise price of the stock options.
- (15) The change in Onex' investing capital per share is impacted by the fair value changes of Onex' investments. Shares repurchased and options exercised during the period will decrease or increase Onex' investing capital per share to the extent that the price for share repurchases and option exercises was above or below Onex investing capital per share, respectively.
- (16) Other items include Onex share repurchases; options exercised; and dividends, as applicable.

Private Equity Funds: Performance Returns, page 18

- (1) Net IRR and Net MOC are presented for limited partners in the Onex Partners and ONCAP Funds and exclude the capital contributions and distributions attributable to Onex' commitment as a limited partner in each fund.
- (2) Onex Partners I is substantially realized and ONCAP I has been fully realized.
- (3) Represents the aggregate performance returns for all invested Onex Partners and ONCAP Funds. Invested Funds are those funds that do not have uncalled commitments outstanding that can be used for future Onex-sponsored investments. Net IRR and Net MOC are not calculable across the aggregate Onex Partners and ONCAP Funds.
- (4) Performance returns are calculated in Canadian dollars, the functional currency of these ONCAP Funds.
- (5) Performance returns reflect the short operating period of Onex Partners V. Cash outflows occurred in November 2018 to fund the first investment made by the Fund. The Gross IRR and Net IRR are not presented as they are not meaningful. The performance returns of Onex Partners V represent a limited partner that did not elect to participate in the credit facility of Onex Partners V.
- (6) The Gross IRR and Net IRR for ONCAP IV are negative and therefore not presented as they are not meaningful.

Schedule of Net Earnings: Q1, page 22

- (1) Management and advisory fees include those earned in the Onex Partners and ONCAP Funds and Onex' retained portion of the management and advisory fees earned from operating companies.
- (2) Management and advisory fees include \$14 million (March 31, 2019 - \$16 million) of additional net fees that would have been earned on Onex capital had that capital been subject to management and advisory fees under the same terms as third-party limited partners in the Onex Partners and ONCAP Funds. These management fees reduce Onex' investing segment results in the period.
- (3) Annual run-rate private equity management fees at March 31, 2020 are \$185 million, which includes \$57 million of run-rate management and advisory fees that would be earned on Onex capital.
- (4) Carried interest and performance fees are reported on an accrual basis.
- (5) Carried interest includes a reversal of \$22 million (March 31, 2019 – income of less than \$1 million) for 40% of the change in carried interest on Onex capital had that capital been subject to carried interest under the same terms as third-party limited partners in the Onex Partners and ONCAP Funds. This carried interest reduces Onex' investing segment results in the period.
- (6) Expenses include those of Onex' corporate functions. This schedule excludes stock-based compensation and amounts paid to Onex and ONCAP management under the Management Investment Plan and carried interest in connection with Onex capital.
- (7) Credit management and advisory fees and performance fees include less than \$1 million paid by Onex in respect of its investment in Onex Credit Funds (March 31, 2019 – \$1 million). Annual run-rate credit management fees at March 31, 2020 are \$49 million.
- (8) Annual run-rate management and advisory fees from asset and wealth management at March 31, 2020 are \$54 million.
- (9) Calculated on a fully diluted basis using the treasury stock method.
